VERNON'S 1976 PETERBOROUGH

Alphabetical Directory

EXPLANATION

1. The Christian name appearing alone in brackets is the name of spouse.
2. In some cases the designation, widow, has been omitted by request.
3. Names between borders are those of firms which subscribe to or advertise in this City Directory. Names in capital letters are those of proprietors, partners or executives of these firms.
4. Business firms which are individual proprietorships or partnerships are indicated by listing the names of the owner or partners in brackets: Plaza Groceries (John B. Scott, Wm. Noble). Conversely, a firm name in brackets after an individual's name indicates that he is an owner or partner in the firm.
5. The householder or head of the house (owner or tenant) is indicated by h preceding the street address. Other members of the family, roomers and boarders do not have this designation. To determine whether the householder is owner or tenant, refer to the pink section, where home ownership is indicated by an asterisk (*).
6. The information in this directory has been gathered from original sources and the Publishers have made every effort to ensure completeness and accuracy. They cannot guarantee the complete absence of errors and assume no responsibility therefor. You are requested to draw any inaccuracies to the attention of the Publishers so that corrections may be made in the next edition.

WORK STATISTICS

THERE WERE 3,400,000 WOMEN WORKING IN CANADA AT THE END OF 1974. THIS IS 34.4% OF THE LABOUR FORCE.

Of these, 58% were married, 32.5% were single, and over 9% were widowed, divorced or separated.

Working women have less time to watch television or read magazines and newspapers. They must spend more money on clothing. Many drive their own car.

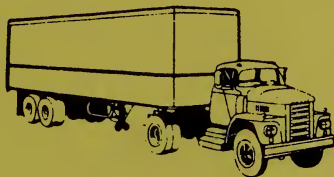

In addition, households in which women work have 25.5% higher gross incomes with more money to spend on labour-saving devices and vacations.

THOUSANDS OF WOMEN USE CITY DIRECTORIES EVERY DAY. ARE YOU GETTING YOUR MESSAGE TO THEM? WHY NOT SET YOUR AD IN A WORKING SITUATION?
